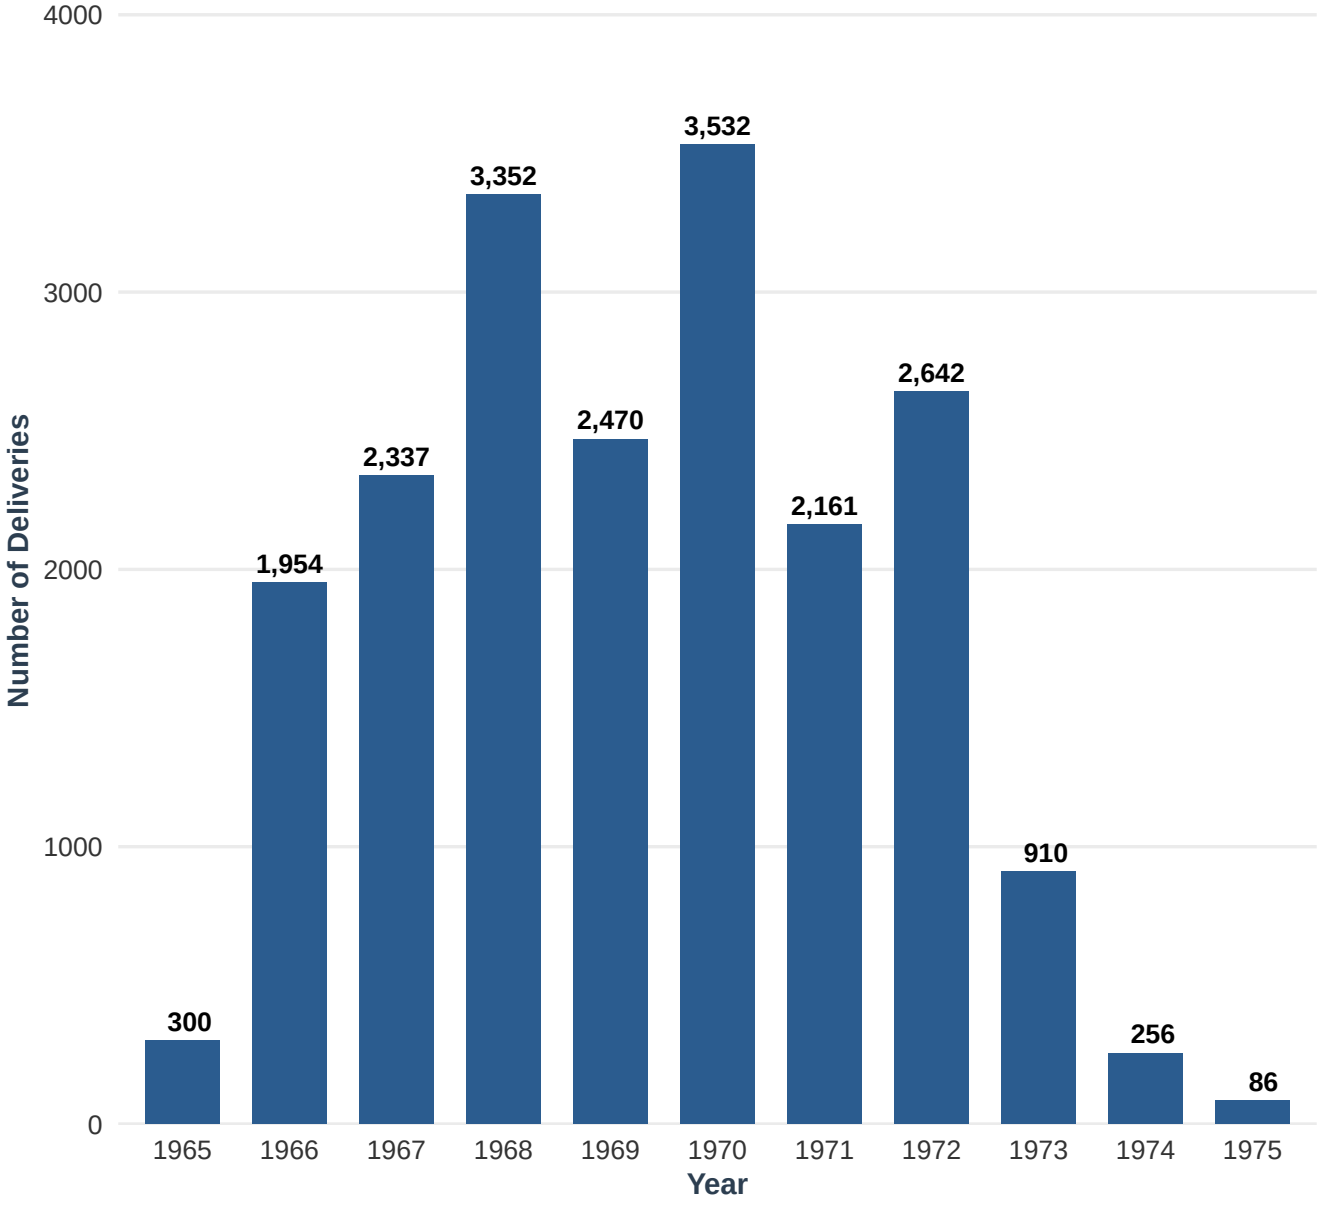
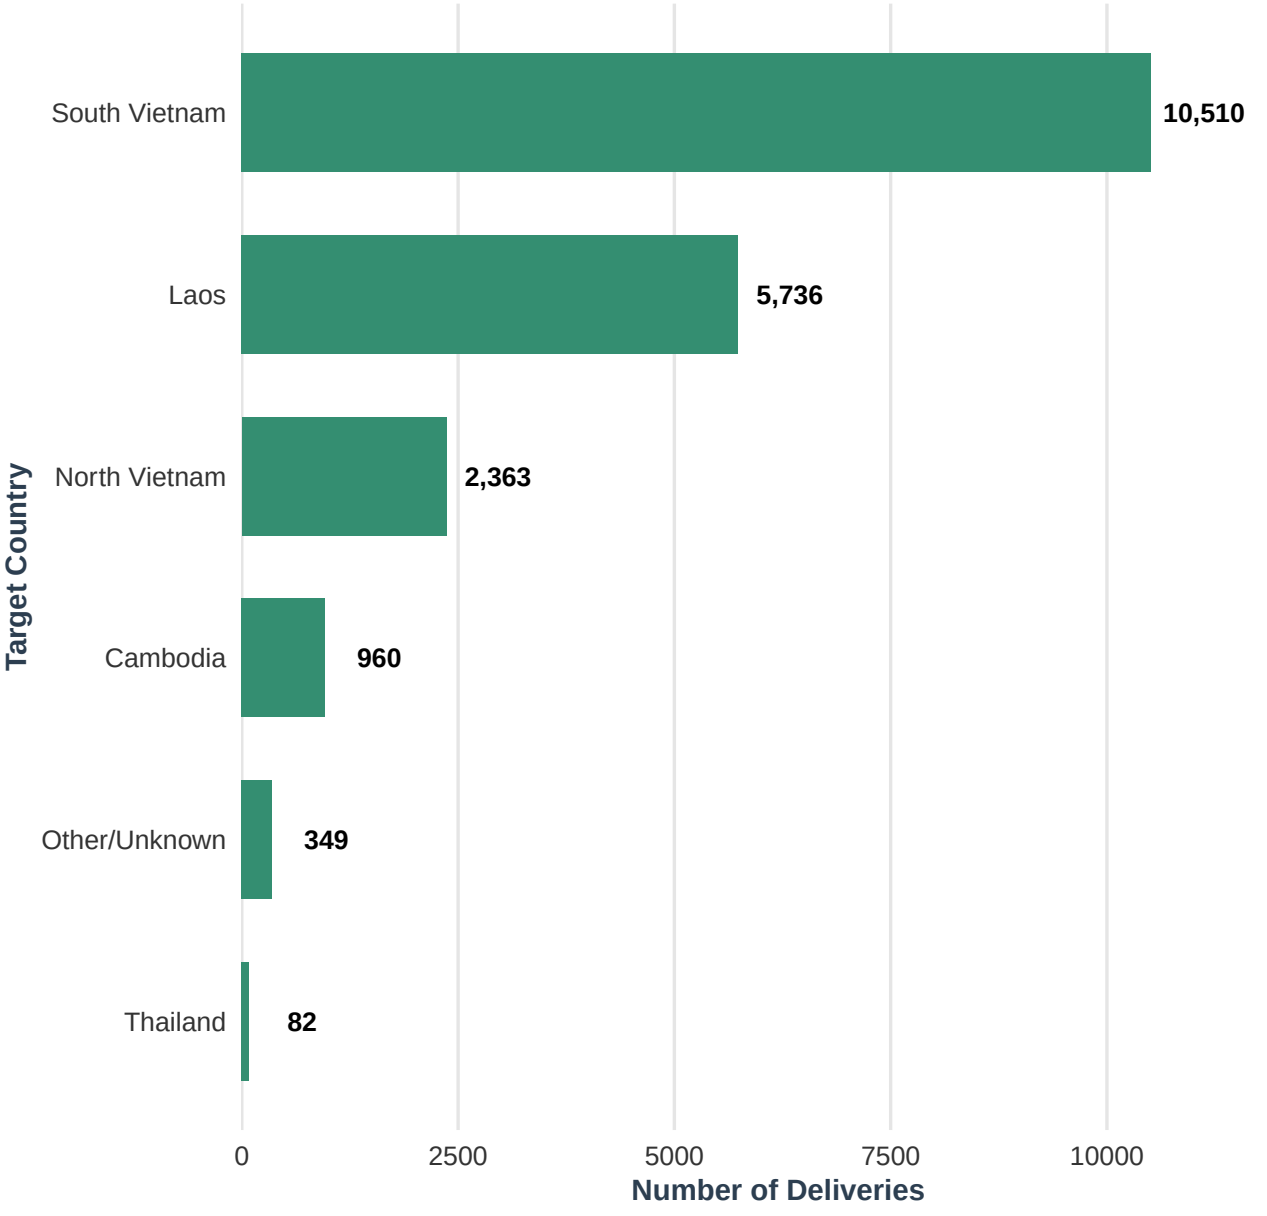
Graph 1: Bombing Deliveries Across Years (1965 − 1975)

Number of recorded weapon delivery events per year



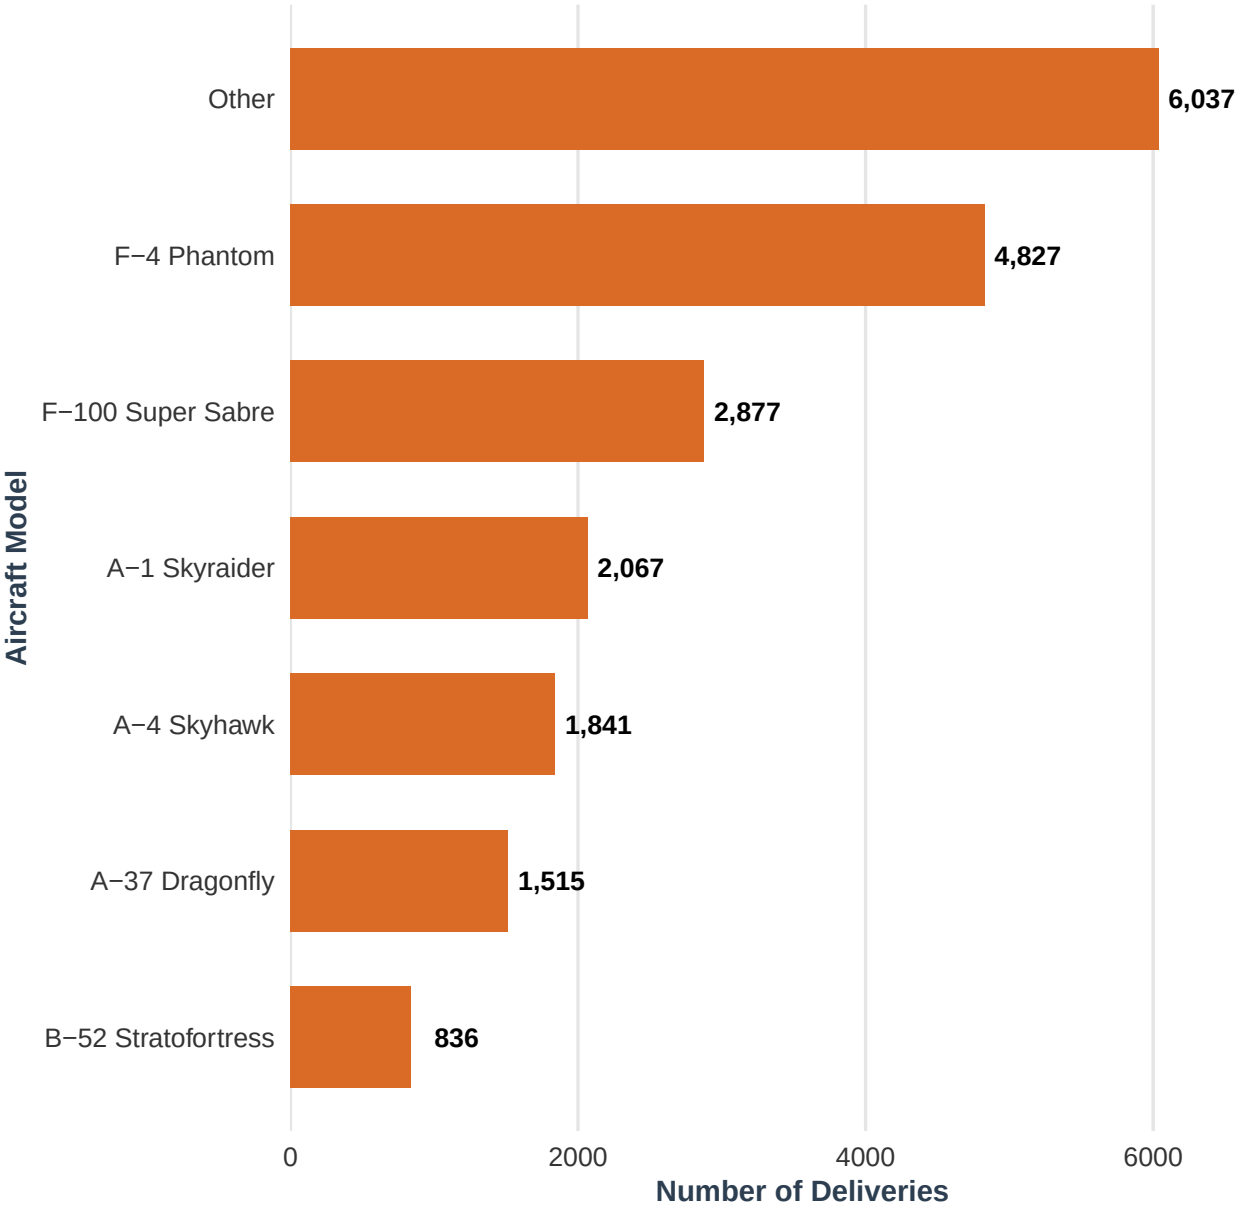
Graph 2: Bombing Deliveries by Target Country

Geographic distribution of strike locations



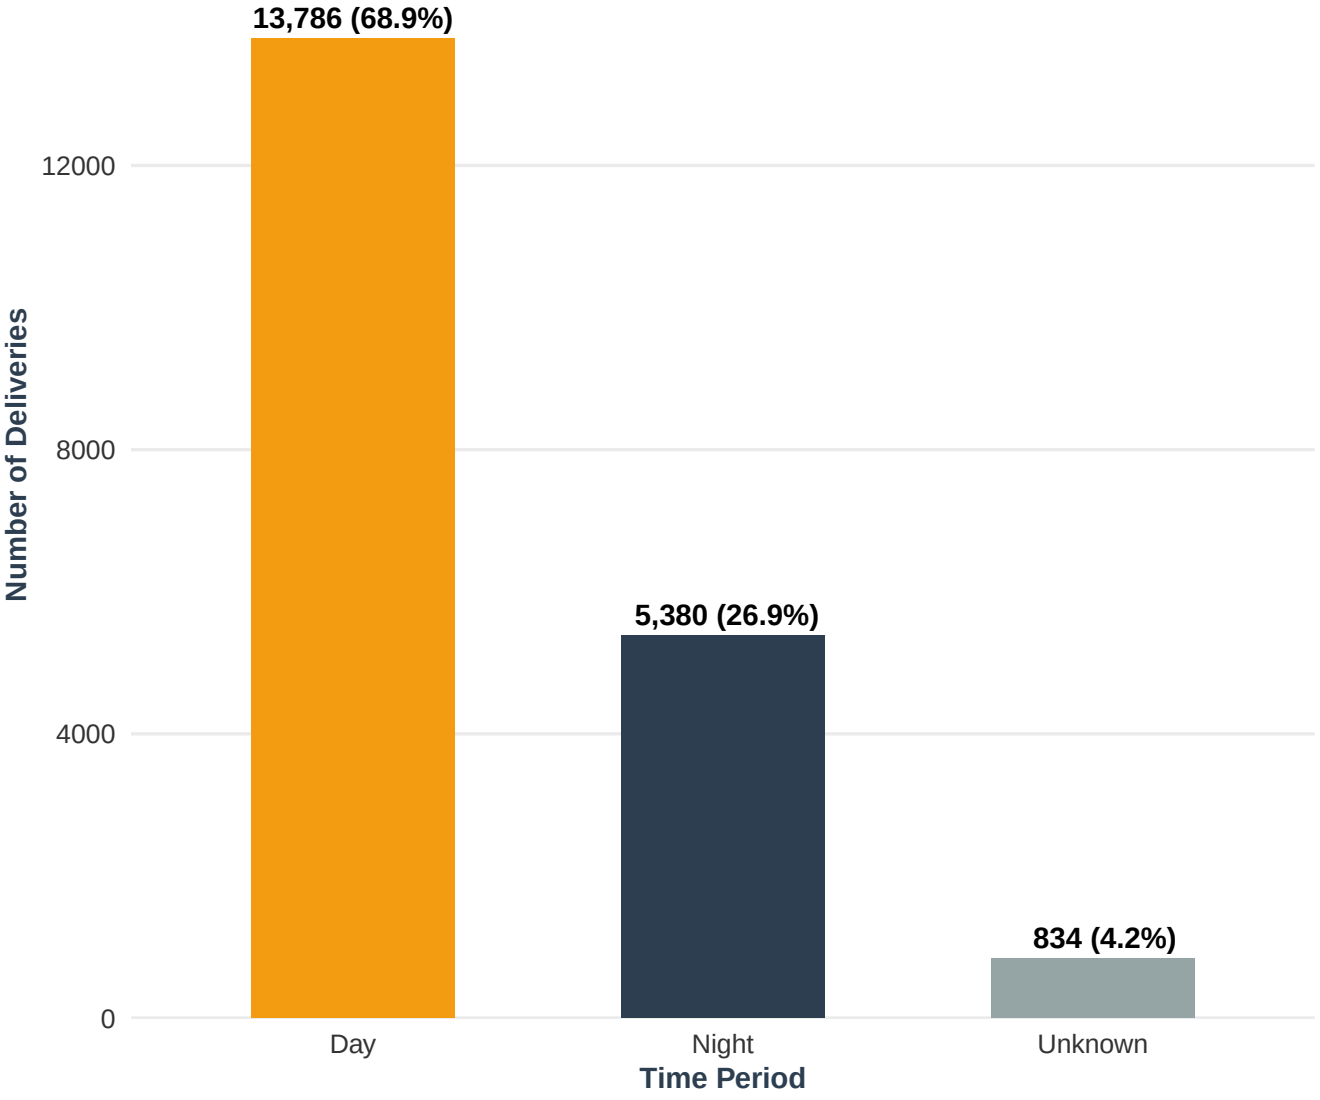
Graph 3: Deliveries by Aircraft Group

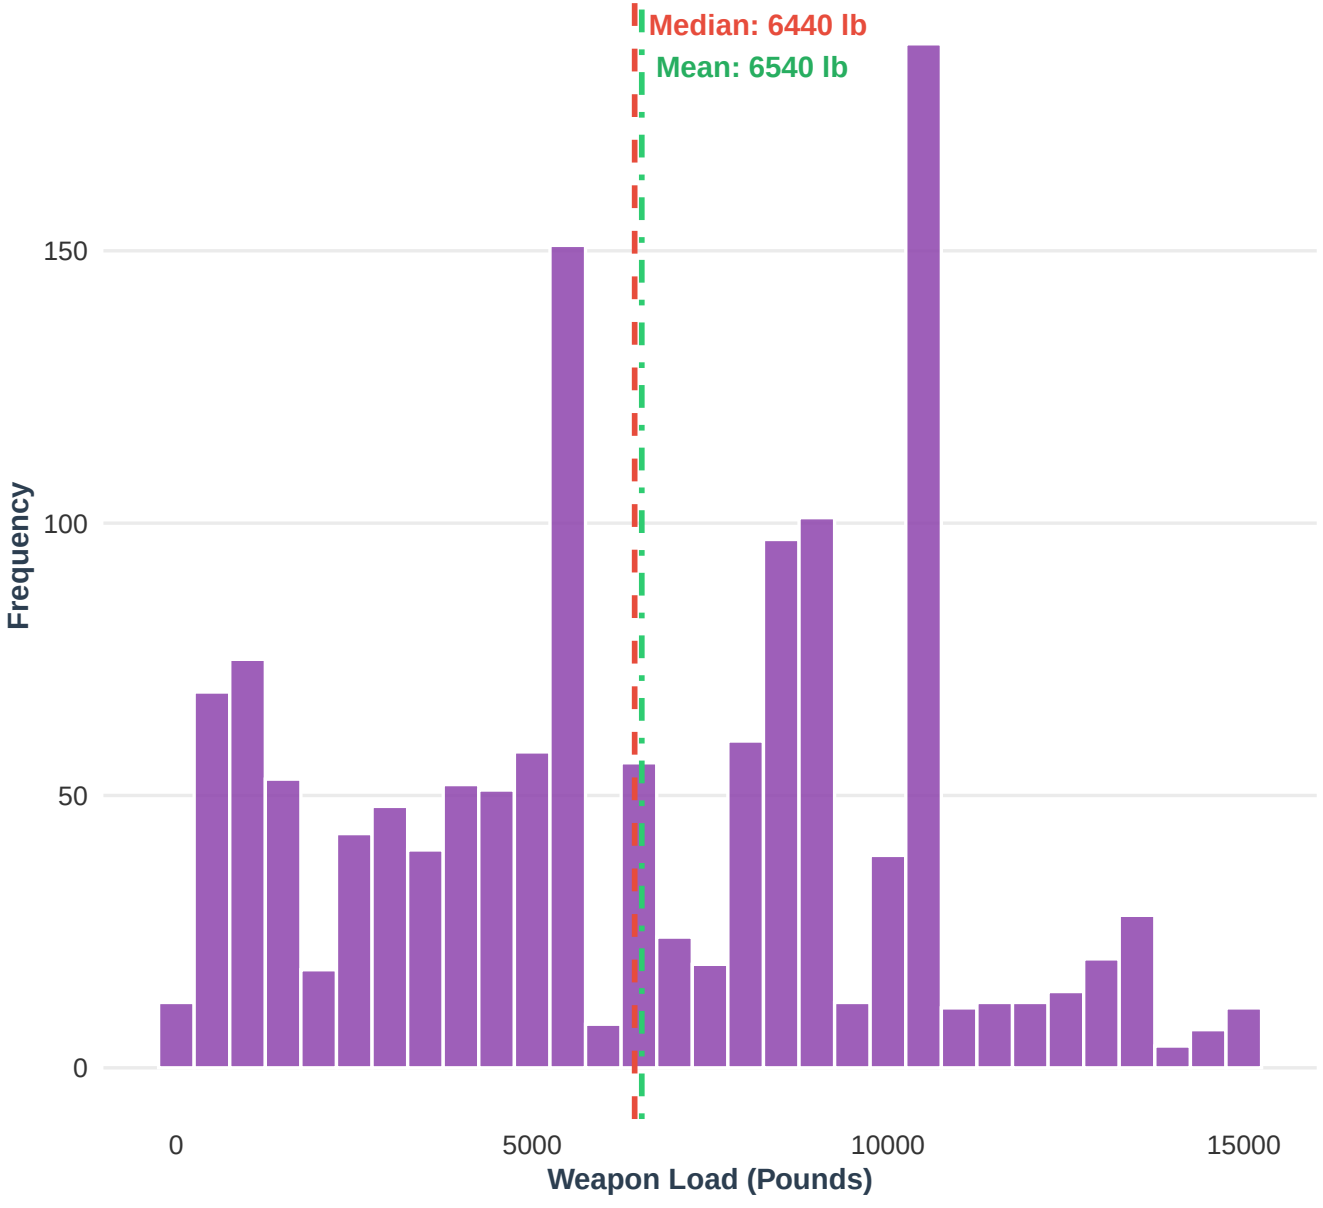
Primary aircraft types carrying out delivery operations



Graph 4: Day vs. Night Operational Split

Comparison of daytime visual strikes vs. nighttime operations



Graph 5: Distribution of Weapon Load per Delivery (up to 15,000 lb)


Shows typical payload sizes with median (red dashed) and mean (green dotdash)
